Cleaner H

Damp wipes for cleaning hands

WHERE TO USE
To clean traces of fresh adhesive and sealant from hands and surfaces.

Some application examples
Removal of traces of fresh single component, polyurethane adhesives (such as **Ultrabond P990 1K** and **Ultrabond Eco P992 1K**) and fresh two-component epoxy-polyurethane adhesives (such as **Ultrabond P902 2K** and **Lignobond**).

TECHNICAL CHARACTERISTICS
Cleaner H is a non-woven fabric tissue soaked in a cleaning solution, used to remove a variety of heavy contamination from hands (adhesive, paint, ink, etc.).

Cleaner H wipes are a quick, convenient system for cleaning hands on site when water is not available.

The detergent solution used to saturate the wipes contains vitamin E and aloe vera, to protect your hands and leave a pleasant smell.

HOW TO USE
Open the tub, remove the seal and pull out the first wipe through the opening on the inside of the cover. Rub your hands with the wipe until all dirt is removed. After use, close the tub.

PACKAGING
Plastic tubs containing 80 damp wipes (20x30 cm).

STORAGE
Cleaner H may be stored for 24 months from the date of production in its original packaging in a damp-free area and at a maximum temperature of +30°C.

SAFETY INSTRUCTIONS FOR PREPARATION AND APPLICATION
Cleaner H wipes are soaked with a flammable liquid. Therefore, we recommend that **Cleaner H** is used away from naked flames. Keep away from children.
The substances contained in **Cleaner H** may be harmful to aquatic life: do not dispose of the product in the environment.
For further and complete information about a safety use of our product please refer to our latest version of the Material Safety Data Sheet.

PRODUCT FOR PROFESSIONAL USE.

WARNING
Although the technical details and recommendations contained in this product data sheet correspond to the best of our knowledge and experience, all the above information must, in every case, be taken as merely indicative and subject to confirmation after long-term practical application: for this reason, anyone who intends to use the product must ensure beforehand that it is suitable for the envisaged application: in every case, the user alone is fully responsible for any consequences deriving from the use of the product.

Please refer to the current version of the Technical Data Sheet, available from our web site www.mapei.com
